

IDEAL FOR NEW APPLICATIONS

Sexton cans are available in sizes ranging from 200 x 200 to 300 x 709, with a variety of dome/step options.

The Double-Reduced Offset Coin (DROC) bottom is one of Sexton's many innovations.

The Color of Innovation

Original thinking at its best.

For eye-catching, imaginatively-designed steel containers that use the most advanced technology to dispense glues, adhesives & sealants, gases, automotive chemicals and much more, depend on Sexton.

A wide range of choices for materials packaging and a variety of unique features, including optional DROC bottoms, make Sexton your best option for aerosol cans.
